### Parent Forum Meeting

On Monday evening, I met virtually with the parent representatives for our half termly meeting. On the agenda for this meeting, we discussed how the school have exited the lockdown restrictions to date and how the recent extended National lockdown has had an impact on the school and our plans for resuming some further normality. We also discussed the value and importance of welcoming adult volunteers into school on a regular basis and making further improvements to the parent forum page on the school website. As always, it was extremely valuable to hear the thoughts and ideas from all of the parent reps and we have plenty of actions to work on to develop the school even further.

We also received several other items for the agenda which were raised by other parents, including the recent school photographs where there were varied views about the modern free pose style used and sports day.

If you would like to read the minutes of the meeting, then these have been saved to the school website and can accessed at: [Watton-at-Stone Primary and Nursery School - Parent Forum \(wattonatstone.herts.sch.uk\)](http://Watton-at-Stone Primary and Nursery School - Parent Forum (wattonatstone.herts.sch.uk))

### Democracy

On Monday in assembly, I introduced the children to the British Value of Democracy. I explained what democracy is and more importantly how it works. It is important for the children to understand how democracy works for the country as well as within the school. As a school we encourage democracy through our whole school pupil parliament which encourages all children to have a voice and to have their ideas and suggestions listened to. Our next pupil parliament meeting will be held on 5<sup>th</sup> July.

### Arrangements for September 2021

Currently, we are very busy making the final staffing arrangements for September 2021. Next week, we will be sending home a letter to inform you who the class teachers will be and which staff will be supporting in those year groups so that you have a chance to discuss this with your child before they spend the morning with their new class teacher on 8<sup>th</sup> July. Spending time with their new class teacher and TA is important to support a smooth transition and it will help them to feel more at ease with the new adults and routines. We will also be making some changes to where the classes will be in the school and we will include this information in the letter next week also for you to share with your child.

## PARENT'S GUIDE TO A GROWTH MINDSET

### RECOGNIZE YOUR OWN MINDSET

BE MINDFUL OF YOUR OWN THINKING AND THE MESSAGES YOU SEND WITH YOUR WORDS AND ACTIONS.

### ASK

"WHAT DID YOU DO TODAY THAT MADE YOU THINK HARD?"  
"WHAT NEW STRATEGIES DID YOU TRY?"  
"WHAT MISTAKE DID YOU MAKE THAT TAUGHT YOU SOMETHING?"  
"WHAT DID YOU TRY THAT WAS HARD TODAY?"

This growth mindset poster is a great resource for parents so that you are aware of what we are promoting in school and how we are doing this. We actively encourage the children to try new challenges and challenge themselves, make mistakes which they will learn from and develop a positive attitude towards the power of 'yet'.

Last week the children had an assembly about growth mindset and many of you have been purchasing the yoyo's to support the children learning a new skill which they can't do.....yet!!

## P.E Kits

Like many other schools, we decided that following the return to school after the school closure, the children would come to school in their PE kit on the days that they had P.E lessons, rather than changing into their P.E kits in school.

There have been so many positive benefits (for both parents and children) to having children come into school in their P.E kits on the days that they have P.E, that we will be continuing with this practice when the children return to school in the autumn term. However, we would like parents to ensure that the children are wearing the correct P.E kits, including correct colour and items of P.E kit so that the children are just as smart in school whether the children are in school uniform or their P.E kits. A full list of the expected P.E kit can be found on the school website at: [Watton-at-Stone Primary and Nursery School - Uniform \(wattonatstone.herts.sch.uk\)](http://Watton-at-Stone Primary and Nursery School - Uniform (wattonatstone.herts.sch.uk))

## Summer Reading Challenge

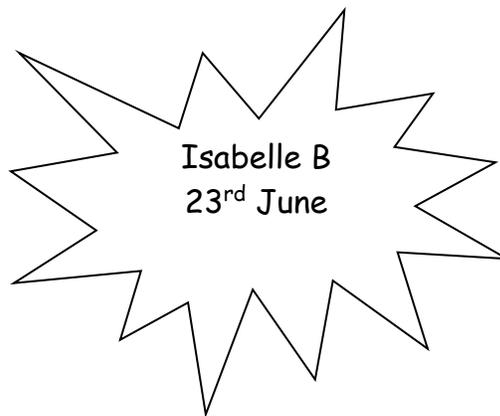

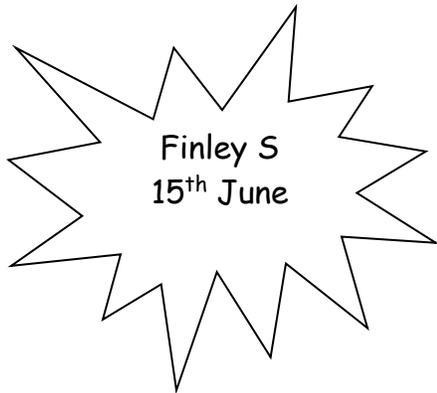

The summer reading challenge is a national initiative which aims to keep children reading between 10<sup>th</sup> July and 4<sup>th</sup> September. This year's theme is 'Wild World Heroes'. The challenge focuses on taking action for nature and tackling real world environmental issues. In the challenge, children will be able to join 6 fictional characters who are learning about the importance of the environment while helping to make the fictional town of 'Widerville' a better home for everyone.

The challenge is to read 6 books over the summer holiday. For every 2 books the children read, they will be rewarded with a set of stickers and when they have completed the challenge, they will receive a bookmark, certificate and medal.

When we return to school, children can show their teacher their medal and be entered into a prize drawer to win an Amazon voucher!!
