

## Newsletter 22<sup>nd</sup> March 2024

To our parents and friends,

This week has seen the start of spring time and we have enjoyed some warmer days which was welcomed by everyone. Please ensure however, that children still come to school with a coat to wear outside (either for outdoor lessons or playtime) as the weather can still be very changeable, even when the day starts off warm and sunny.

On Thursday, children in Year 4 showcased some of their learning from this half term in their class assembly. They informed us about their understanding of solids, gases and liquids, performed a water cycle rap and role played buying ice creams from an ice cream stall.... in French!!! They even tested the adult's recall of multiplications as the children in Year 4 will have to complete a multiplication test in June and recall their multiplication times tables at random and at speed. The parents managed this challenge very well indeed. Finishing their assembly slightly earlier than planned, they then talked about their food technology project this half term too. Well done Year 4.

Today, all the children in Years 1 - 6 took part in our termly Pupil Parliament meetings that were led by the year 6 children. On the agenda today, they discussed the changes that have taken place following the last meeting in November (mainly regarding after school club choices), discussed the forthcoming sponsored bounce event and discussed the behaviour policy to ensure that all the children know about our positive rewards as well as the consequences (should they be needed). As always, children in all year groups made some very valid and sensible contributions to these discussions and enjoyed the opportunity for everyone to have their voice heard. The next meeting will be in the summer term.

In March 2022, the Schools White Paper announced that by September 2023, all schools would have to ensure that they were delivering a school week of 32.5 hours to all children. This deadline has now been extended to September 2024. As a school, we have decided to move to a weekly timetable of 32.5 hours from the first day of the summer term (16<sup>th</sup> April). This will only increase the school day by 5 minutes and the school finishing time will be 3.20pm and not 3.15pm.

### Sponsored Bounce

Next Tuesday (26<sup>th</sup> March), all the children in the school will have an opportunity to take part in our sponsored bounce fundraiser. We are very much hoping to buy new laptops for the children to use.

Throughout the day, teachers have an allocated time to take their class to the bouncy castle in the hall. In small groups (no more than 5 children at a time), children will have an opportunity to play on the bouncy castle as well as see how many bounces they are able to do in 1 minute.

In order to organise this safely and in the allocated time slots, we are hoping that some parents/grandparents will be able to volunteer some of their time to help come into school and help with counting the children's bounces. **We are still very much in need of volunteers to help with the following sessions:**

9am - 9.30am - Year 3

9.30am - 10.30am - Pre School

10.30am - 11am - Nursery

11am - 11.45am - Reception

11.45-12.15pm - Year 4

Please can your children come to school on Tuesday with their sponsorship forms (hopefully with the names of some who have sponsored them). After they have completed their bounce, we will write how many bounces they have completed on the sponsor form and return this to you at the end of the day. Many thanks.

Please contact the admin office if you are able to volunteer some of your time to help with one or more than one of the class bounce sessions. Many thanks in advance as these events just would not be possible without your help.

## Year 6 Fundraiser

Please come along and support this event next Wednesday after school on the playground (or under the gazebo area if it is raining)

## Breakfast and After School Clubs

We have added the Summer Booking forms to our website. These forms must be used for booking your child a place in either club, bookings via email are only acceptable in an emergency/ad hoc situation.

If you require a hard copy of either form, they are available from the Admin Office. We are experiencing a high demand for some sessions, so please ensure that you complete a form and return it as soon as possible.

After school club are having their own Easter hunt on Wednesday 27<sup>th</sup> March. If you would like your child to attend, please send in your booking forms by Tuesday 26<sup>th</sup> March. Thank you.

## Easter Holiday Club

Unfortunately, there will not be a holiday club running at school during the Easter holiday. This is due to the low number of bookings on the last two previously offered holiday clubs. I will continue to liaise with Super Star Sports regarding opportunities for holiday clubs in the future.

## Handwriting - One Of Our School Priorities This Year

As a school, we have chosen to use the Nelson Handwriting scheme to teach handwriting lessons 2/3 times per week. In the Early years we teach pre-cursive printing of letters:

a b c d e f g h i j k l  
m n o p q r s t u v w x y z

In Year 1, the children are taught to add lead out's to their letters before they start to join letters:

a b c d e f g h i j k l  
m n o p q r s t u v w x y z

In Year 2, the children are taught correct letter joins using the correct horizontal and diagonal joins. An example of writing using the Nelson Handwriting font:

The quick brown fox  
jumps over the lazy  
dog.

We continue to teach joined up handwriting in Years 3, 4, 5 and 6 so that children develop their handwriting fluency, accuracy and flair. Some letters do not join to other letters. These letters are: b, g, j, p, q, x, y, z, s

## Headteacher's Awards

Each week, staff are constantly looking for children in the school who are showing awareness of one or more than one of our school learning values. These values will help children to become better learners as well as developing their relationships with others around them. Children are recognised for their achievements with being awarded Headteacher's Awards.

### Reception:

Tyler for showing resilience with his writing and taking pride in his achievements.  
Tanashe for being a kind and empathetic friend to others.

First place - Yellow House - 484

Second place - Green House - 455

Third place - Blue House - 443

Fourth place - Red House - 434

### This Half Term

First place - Yellow House - 2,208

Second place - Green House - 2,172

Third place - Red House - 2,047

Fourth place - Blue House - 2,042

## House Point Winners this Half Term

Many congratulations to the yellow house who have accumulated the most house points this half term.

This afternoon, Mrs Etienne met with the House and Vice House captain (Annabelle and Alfie M) to discuss what they would like their house to have as their reward next Wednesday.

They have chosen to have a non school uniform day (wearing an item of yellow clothing if at all possible), an Easter egg hunt (where the older children will be paired up with the younger children) and a drink/snack at the end of the afternoon.

## Tesco Fundraiser

We have recently applied for Tesco's Stronger Start Grant Award in order to further develop the outdoor areas in the early years. We were thrilled to find out this week that we have been successful in our application and during April, May and June, Tesco customers will be able to vote in store. We are hoping that our parents, families and community will be able to help us gain lots of votes during this time. The project with the highest number of votes across the region will receive £1,500, the second placed project will receive £1,000 and the third placed project will be awarded £500. The following stores will all be taking part in the voting for this project: Stevenage Extra, Old Stevenage High Street, Stevenage Chells, Broadwater Stevenage, Woolmer Green and Hitchin. Please help us by spreading the word to your friends, families and work colleagues. Thank you.

### PE Tops

The new P.E tops will be available to purchase from Kidz Connections in Hertford from 8<sup>th</sup> April or available to purchase from their website.

These tops are optional for the children to wear in the summer term but will become a compulsory element of the P.E kit from September 2024. These are made from a dry fit material instead of cotton and will therefore dry extremely quickly once washed. You may find that one of these P.E tops will be sufficient, even if you do a mid-week wash.

The admin office do have a supply of our current t shirts which can be purchased for £3 and worn until the end of the year.

### Rock and Pop Band Lessons

Following an assembly last week, we are delighted that after the Easter holiday, we will be offering children an opportunity to develop their musical skills and enjoyment by being part of a rock/pop group. Children will have the opportunity to play either the drums, keyboard, electric guitar or take on the role of lead vocals.

### Stevenage Borough Football Club Book Competition

Congratulations to Eddie W in Year 4 who entered a story writing competition and was one of the winners. Here is Eddie's story:

#### Boro the bear meets Simon

Once upon a time there was a bear called Boro and he had a TIME MACHINE so what would he do?

He started off with going into the future...it didn't go well...The sun had ended. So he went back into the past for a day and...well...CRAZY things were going on there too!!!!!!

Boro then went back in time to the Ice Age and he met a mammoth called Simon. They became such good friends that Simon would take Boro out for a ride around his Icey Kingdom. He saw bears, wolves, Sabre Tooth Tigers and best of all Narwhals! Simon was very popular and had lots of friends for Boro to meet, Simon showed Boro to his luxurious igloo home.

At lunch time, Boro exclaimed 'I could really do with a Burger' and magically 2 appeared, one for Boro and one for Simon. Simon thought this was the most magical food he had ever tasted in his whole life, realising Boro must be able to make wishes he asked him to try more food from the future, next Boro wished for a hotdog, Simon said it was delicious! And requested more!

Next he wished for some fun so Boro wished for some video games for them to play and taught him how to play each game. Simon decided he needed to be more active again so Boro wished for a football and they each got a team together to play even though he had never played it before Simon's team won and Simon scored the winning goal! Boro wished for a sofa and a TV so they could relax after the big match and they watched some football and movies together. Next Boro decided to get Simon dressed up, he wished for some mammoth sized shirts (with an s on for Simon) and some blue trousers, Simon's favourite colour. Simon looked pretty cool.

As the day was coming to an end Boro told Simon he had to go home. Boro left everything for Simon to remember him by and Simon the Mammoth had had the best day of his life. As Simon waved Boro goodbye, Simon was very upset to say goodbye to his best friend. Boro went home and told all his friends about his special day with Simon the mammoth, especially Simon's awesome goal! Boro would like to go back again one day and maybe he will take you next time.... Eddie W, age 8
